

Ambassador of the Quarter

Craig Muniz of WestFetch, a delivery & concierge service, was recognized as "Ambassador of the Quarter" at the chamber's September business luncheon. Upon joining the chamber just over a year ago, Craig sought out ways to help his chamber and community and quickly volunteered to serve on the Ambassador Committee. Now there is hardly any chamber event that you attend that Craig isn't there smiling and helping new members meet other members. Craig's regular attendance at chamber events and his timely mentoring of new members is what earned him this award.
